Dr. Lane! Greatest professor at UK!
It was organized very well
Dr. Lane was extremely organized and I appreciated that. Everything was easy to understand as long as you attend class. I appreciate how Dr. Lane really understood all of the topics he was teaching on and if you had a question, he had an answer. I also enjoyed jeopardy!
The lectures and notes. Also, the reading quizzes that we had each week which were a direct correlation to what was going to be important for the class. Also, all the in class simulations to help me better understand the concepts.
Dr. Lane organized this course for the activities to match all of the content. Dr. Lane is always willing to help and support all students.
Course was well organized and material that was gone over was useful towards future career use.
Different topics were introduced to help apply the material into assignments.
This has been one of my favorite classes at UK.

I don't think we played jeopardy for the first exam and I think that would be really helpful to see how some questions might be worded.
