Subject: Environmental Humanities Initiative - First Meeting Poll

Hello Environmental Humanities Faculty,

The great news is that I have heard from over 50 faculty from all across the University who have expressed an interest in participating in an Environmental Humanities Initiative here. To facilitate communications between us, I've created a directory of sorts. It's available through my [Environmental Humanities Research](#) page, or you can access it directly here: [UK Environmental Humanities Faculty Cluster](#).

Two requests:

1. Please keep spreading the word. If you know someone who may be interested and they're not on the list, direct them my way (bob.sandmeyer@uky.edu)
2. If you notice an error in you name or classification, please let me know.

First Meeting – Doodle Poll

Since there are so many interested in this EH Initiative, our first meeting will be held via Zoom. (Don't forget to update Zoom on your computer, btw.) **I would like to have a 50-60 minute meeting sometime during the last week of October or the first week of November.** To this end, I have created a [Doodle Poll](#) (click the link to take the poll) to determine the best time.

FYI, I intend to take notes during the meeting and will post these to the EH Research webpage; and I also intend to record this first meeting for those who cannot attend but would like to see what happened.

Please complete the Doodle Poll as soon as possible but no later than end of day, October 19th. I will send out an email about the meeting on October 20th, and this email will include an agenda for that first meeting.

Really looking forward to meeting with you all, telling you all the exciting news since my last email, and hearing your ideas.

Bob

Bob Sandmeyer, Ph.D.
